

Flash4 Fire Sale Program

We at Flash4 would like to introduce a new program to our valued customers. Starting March 22nd we will be sending out a bi-weekly Fire Sale List. This list will include quality items that being offered at discounted prices. Along with a description and part number, we have also included our quantity available at that price. Keep in mind quantities are limited and may go fast.

At the beginning of each week, you will be receiving an updated Fire Sale List from your Flash4 ASR. That list will include updated quantities and may include new items from week to week. Remember once an item is gone, it's gone.

In addition we will customize the page for you with your logo and contact information. All we need is a .jpg file of your logo and any contact information that you wish to include on the Fire Sale page for your customer. We know how everyone is busy, which is why we want to make this easy for you increase your cash flow in four easy steps.

- Step 1. Send us your logo if you would like to receive bi-weekly updates.
- Step 2. Flash4 sends you the list with Fire Sale Items.
- Step 3. You enter how large of a profit you want to make.
- Step 4. Save the file and send out to your customers.
