*10 business day lead time; 15 business day lead time with order of die.

*All prices quoted will remain valid for 30 days. Also all price increases, as received by Flash4's suppliers, will be passed along to any in-house blanket orders regardless of when they were initially quoted.

*All art charges will be charged at cost and may be added on.

*All blanket orders require full commitment (actual Purchase Order) for quantity priced.

*All labels quoted with 1/8" gap & 1/8" corner radius unless specified

*We recommend that all products be tested in end user's application/environment

*Flash4 is not responsible for tooling of samples mailed that do not meet above specifications

*We recommend all artwork be provided on disk. Customers will be charged at cost for any artwork which must be created.

*Tooling purchased will remain the property of Flash 4, as it will our responsibility to maintain the tool throughout its life (dies, plates, special perf/score tools)
